

Privacy Policy

This page is used to inform visitors regarding policies and terms for anyone decided to use this Service created.

If you choose to use this Service, then you agree to the following policies and all terms and conditions.

If you do not agree to all of the terms and conditions stated on this page, please do not continue to use our services.

Information Collection and Use

For a better experience, while using this Service, I may require you to provide us with certain personally identifiable information. The information that I request will be retained on your device and is not collected by me in any way.

I will not use or share your information with anyone except as described in this policy.

Log Data

I want to inform you that whenever you use this Service, in a case of an error in the app I collect data and information (through third-party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing this Service, the time and date of your use of the Service, and other statistics.

Service Providers

I may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services; or
- To assist us in analyzing how our Service is used.

I want to inform users of this Service that these third parties have access to their Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Third-party tools

We use third-party tools to collect analytical data on how our Service is performing, to help identify what needs to be fixed, and to serve advertisements in all our free apps.

- Google/Firebase Analytics: Firebase helps analyze how users use our apps. For a list of data collected please refer to Google: <https://support.google.com/firebase/answer/6318039>. To further learn more about the technologies they use via cookies on your smartphone(s) and how to opt-out: <https://www.google.com/policies/technologies/ads/>.
- Google/Firebase Admob: Admob serves advertisements in our free apps. You can opt out of AdMob by following the instructions described by Google: <https://support.google.com/ads/answer/2662922?hl=en>. For more details about Admob and how they collect information please refer to these links: <https://www.google.com/policies/privacy/partners/> and <https://www.google.com/policies/privacy/>.
